Are you ready to truly experience Parkstad? Let yourself be surprised by the Parkstadroute, a 35-kilometre experience route between Simpelveld and Schinnen, specially designed for hikers and cyclists. Here you discover exactly where Parkstad gets its name from: a unique region where city and nature blend seamlessly together.
The Parkstadroute winds past some of the most beautiful spots in the region. Think hidden natural gems, historic castles, Roman excavations and stories from its rich mining past. Like a green phoenix, the region rose again and blossomed into a tourist destination of real significance.
