

Amstelbachroute KR2

Kerkrade

Walking route

→ 7.6 km

Start- and endpoint

Haus-Heyden-Straße 203,
52134 Herzogenrath, Germany

Level of difficulty

Makkelijk

Between Kerkrade in South Limburg and Herzogenrath and Aachen in Germany is the beautiful Amstelbach route, where three streams converge, special marsh plants grow and the badger lives. The walking route is not signposted, but the route description can be downloaded. You start your tour in the Haus-Heyden-Straße and walk from there into the Pferdelandpark, which is also part of no less than eleven cross-border Euroderoutes. Moreover, the walk will take you past Discovery Museum, one of the attractions of Kerkrade, which is a stone's throw from Kerkrade Centrum station.
