Stadswandeling Kerkrade - 't Sjunste óp de Welt

Walking route
6.6 km

Start- and endpoint
Markt in Kerkrade

Level of difficulty
Makkelijk

The center of Kerkrade is undergoing a metamorphosis. Where this city on the German border first depended on its mining industry, Kerkrade is now transforming into an innovative city, with the Discovery Museum on Museumplein, a stone's throw from the station, its cozy Markt with jumping fountains and its luxurious Parkstad Limburg Theaters, whose brand new foyer also serves as a living room and meeting place for the residents of Kerkrade.
This walking route is not signposted, but the route description can be downloaded and also shows you the green area around Erenstein Castle.
