Welcome to beautiful Zuid-Limburg and in particular to the Parkstad Limburg region. The typical Zuid-Limburg landscape makes this cycle route a true experience. This cycling route across Parkstad-Limburg reminds you of times gone by in the mining industry; look out for traces of the 'black gold'. On this tour you will pass various impressive attractions, like Mondo Verde and SnowWorld. The cycle junction system ensures that you can easily find your way. You will be amazed by the beautiful natural scenery, the magnificent panoramas and, of course, the many outdoor cafés, where you can stop off for a relaxing break. You can park and start at SnowWorld in Landgraaf (Witte Wereld 1).
