 **Walking route**
→ **4.8 km**

Start- and endpoint

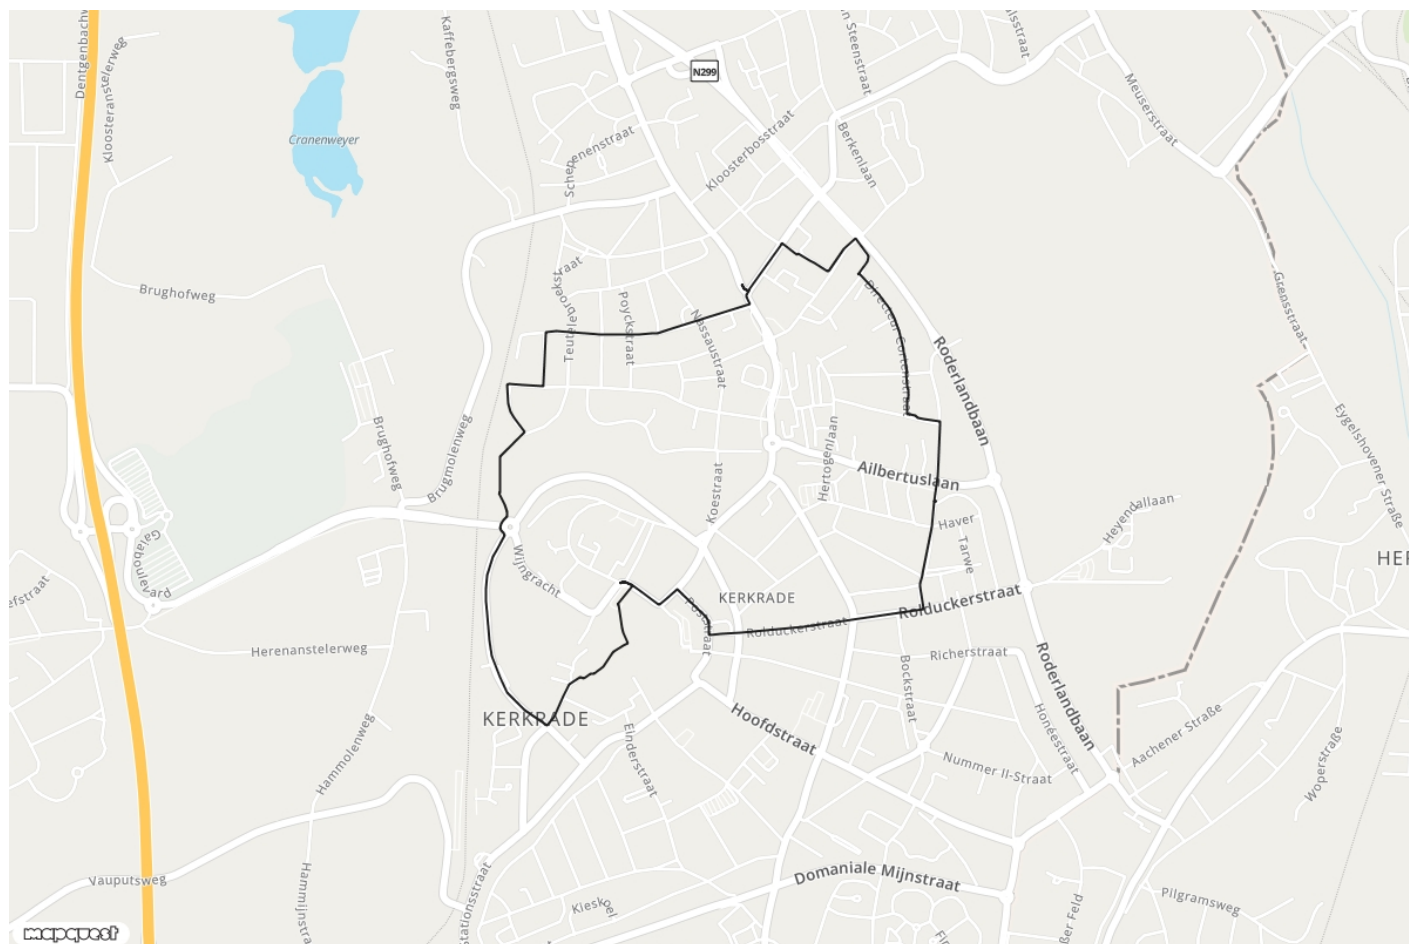

Sint Pieterstraat 8, 6463CT
Kerkrade, Limburg

Level of difficulty

Gemiddeld

The center of Kerkrade is undergoing a metamorphosis. Where this city on the German border first had to rely on mining, Kerkrade is now transforming into an innovative city, with the Discovery Museum on the Museumplein, a stone's throw from the station, its cozy Market with the jumping fountains and its luxurious Parkstad Limburg. Theaters, the brand new foyer of which also serves as a living room and meeting place for the people of Kerkrade. Please note, this route is not signposted. The route is suitable for wheelchairs, (duo) scooters, (duo) bicycles and walkers. This route was developed by MeanderGroep and the municipality of Kerkrade.
